

SOUDERTON AREA HIGH SCHOOL

## BIG RED BAND BOOSTERS, INC.

P.O. Box 64310  
SOUDERTON, PA 18964

Dear Business Owner:

On March 20, 2026, the Big Red Band Boosters and marching band members from Souderton Area High School will be hosting their Annual Designer Bag Bingo at St Maria Goretti Parish, located in Hatfield, Pennsylvania. The Big Red Band Boosters consists of the parents and families of the students of the award winning Souderton Area High School Big Red Marching Band. The Big Red Marching Band program welcomes all interested high school students. These talented young men and women dedicate their time and energy to learning to master their instruments and perform in shows and competitions year round. In addition the Souderton Big Red Marching Band is a regular participant in the Harleysville Memorial Day Parade and Souderton Holiday Parade, and volunteers at community events such as the Harleysville Jaycees Country Fair Days. We also provide a scholarship for 2 eligible high school seniors each year. The band program allows the opportunity for students to develop leadership skills and strong bonds with other young people not only from Souderton High School, but other local high schools as well.

The goal of our bingo event is to raise as much money as possible to support a long list of goals. One of these goals is to purchase new instruments and replace some older, less dependable equipment. We also need to increase a fund which subsidizes students who need financial assistance for participation in the band and to attend any competitions. We are optimistic this event will help us have a great fundraising year!

We are hoping to sell out our event again this year and host 200 people! We have an energetic group of students and parents ready to organize and manage this event. However, we also need an amazing assortment of prizes and gifts we can raffle off to ensure that many of our bingo guests and supporters leave happy.

**We are reaching out to businesses and individuals, seeking sponsorship, services and/or goods for this Bingo Event.** Some possible donation ideas include: gift certificates or discounts for your business/service, a gift basket of items, the donation of goods that could be added to a community gift basket, sports memorabilia or tickets to sporting events, theaters, museums, amusement parks, or local events.

**If you would prefer to become a sponsor in addition to (or in lieu of) item donation, sponsorship options are outlined on the next page.**

In return for any donations received, our group will be handing out programs to bingo attendees that name every individual and/or business donating to our event. We also intend to make a list of the donors with links to their respective websites available on our website. Finally, we will be announcing our supporters during the event and urging everyone in attendance to support the businesses and organizations that have so generously assisted in making our bingo a great success.

We hope that you help with our efforts by sponsoring or donating services or goods. We are a 501(c)(3) organization, and can provide the necessary documentation should you require it. If you can help with our bingo, please get in touch with me through any of the methods listed below. Should you have any questions about the program, you can also reach out to the Big Red Band Booster President, Carla Vazquez, by e-mail at [president@soudertonbigred.org](mailto:president@soudertonbigred.org).

The young men and women involved with the marching band program at Souderton Area High School thank you in advance for your consideration of our request and any assistance you can provide!
